BIONIC COMMANDO

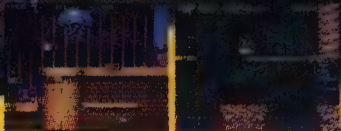

Get set for rapid-fire action as you're transformed into the Bionic Commando. This best-seller from Capcom is a dynamic adaptation of the original arcade classic.

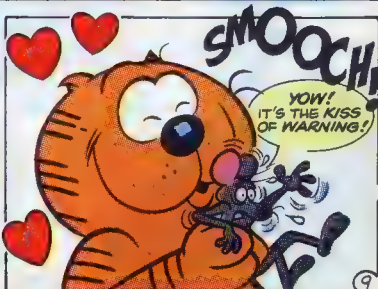

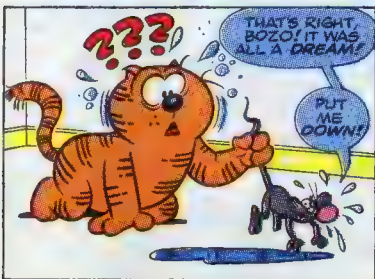

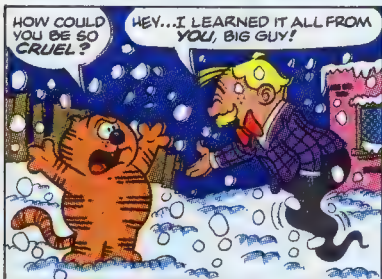

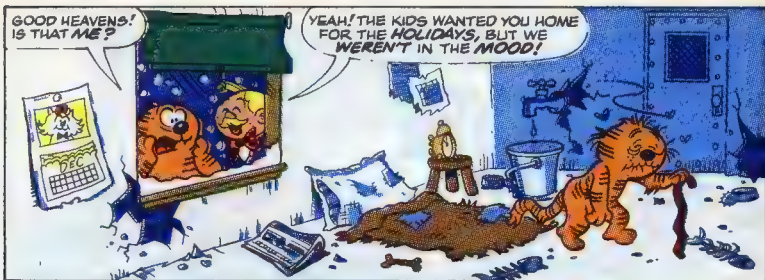

Expect an onslaught of challenges and extraordinary graphics when you battle enemy forces in their futuristic lands. Your powerful extending bionic arm and incredible arsenal of weapons give you all you'll need to become an unstoppable one-man army.

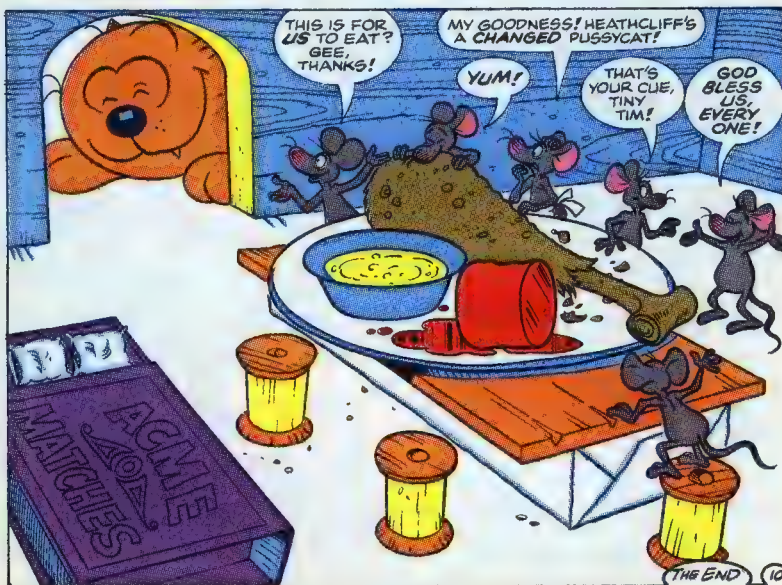

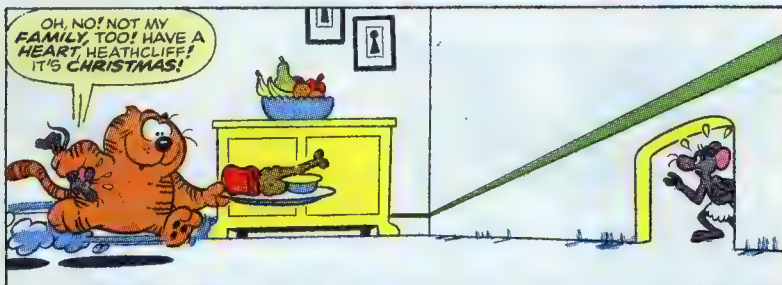

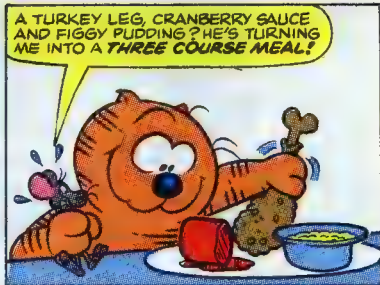

To the most daring soldiers, this might seem an impossible test, but they've never experienced the power of Bionic Commando!

HERE! SIT IN THIS EMPTY CART WHILE I RETURN EVERYTHING!

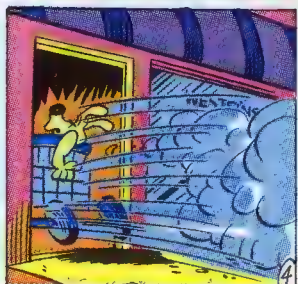

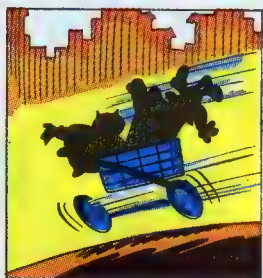

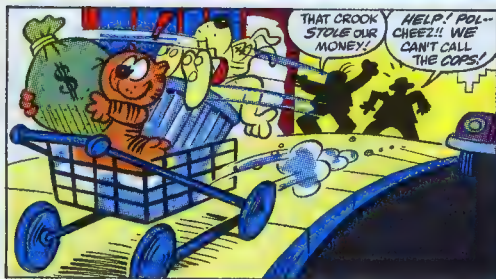

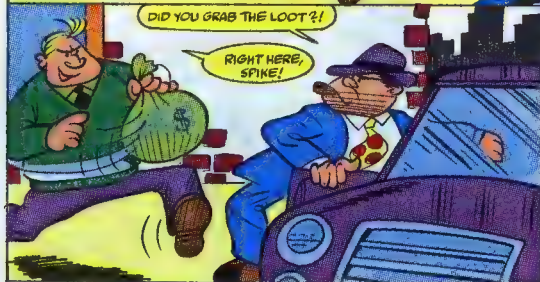

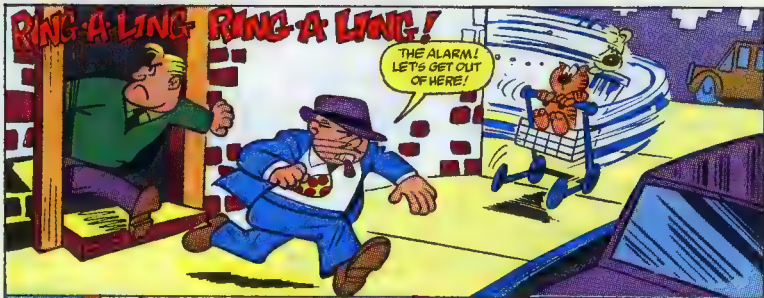

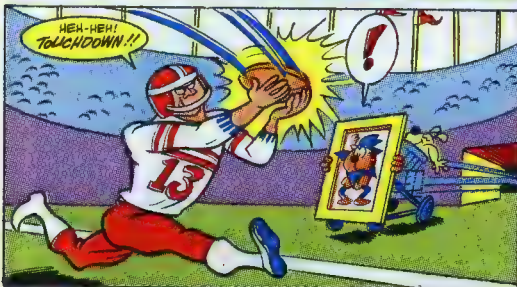

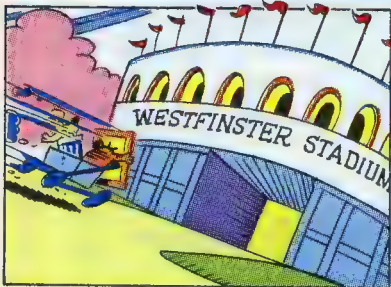

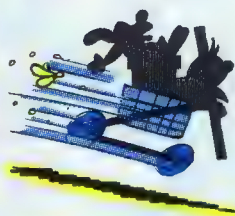

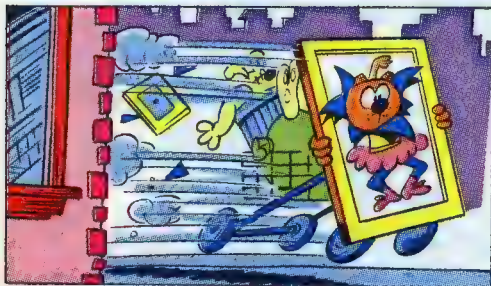

AND PLEASE DON'T TAKE ANYTHING ELSE OFF THE SHELVES!

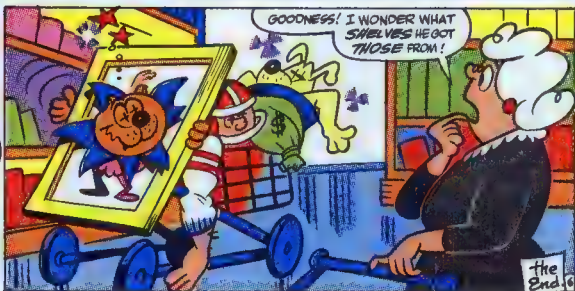

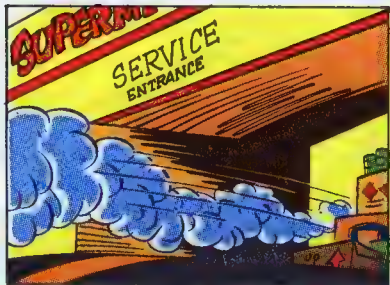

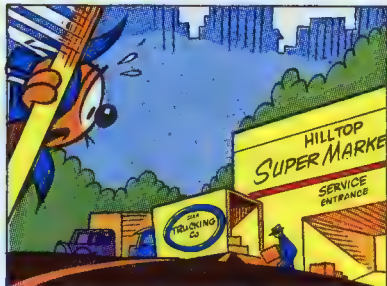

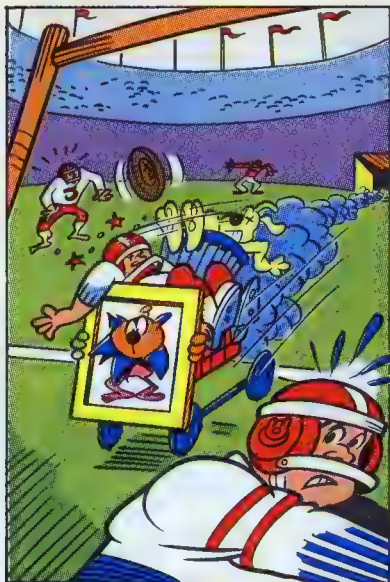

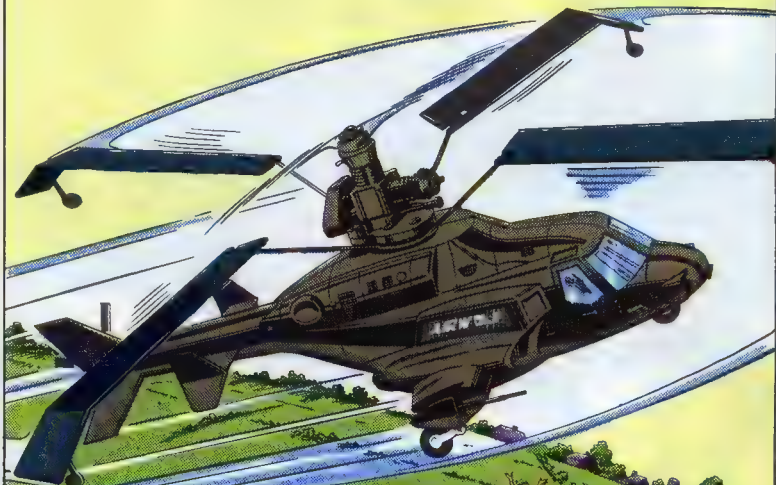

AIRWOLF™

**REAL ENGINE POWERED
MODEL HELICOPTER
YOU CAN FLY!**

Flying your own Airwolf helicopter is a blast! But it's not for the timid. That's because the Airwolf's powered by a real piston driven Cox .049 engine. Fire that baby up, watch the Airwolf's huge blades gain rotation speed and let it fly. Your Airwolf climbs a hundred feet into the sky! Then, the engine runs out of fuel. Your Airwolf begins to fall! But no worry — everything's cool. The sudden loss of altitude causes the auto-rotation blades to change pitch. Your Airwolf slows and settles in for a perfect soft landing. You're proud! You proved your ability! You can fly our own Cox .049 engine powered Airwolf helicopter! Visit your favorite hobby shop or other retailer to get yourself an Airwolf and have a blast!

STAR SIGNALS

Meet Super Star: LISA TRUSIANI-GREENBERG

Editor/Assistant Editor on: All Star Comics; Count Duckula, Heathcliff, Alf, Police Academy, and Marvel's Damage Control.

Marvel freelance credits (present): Working on them now.

My place of birth is: Emotional Incontinence, Minnesota.

People who knew me in high school thought I was: A featherless biped.

My hobbies are: Reading, watching old movies, collecting children's books, writing, shuffle-jogging with a pregnant woman, curing insomnia by recounting my epic dream.

My pet peeves are: Locked in expensive reach models.

My favorite performers are: John Cleeze, Meryl Streep, Pucini, Ruth Gordon, Two Reggae singers at the 96th St. Subway Station, members of my method acting class, Chris and Peter Kater.

The last good book I read was: *Beloved* by Toni Morrison, *The House of Spirits* by Isabel Allende, *One Hundred Years of Solitude* by Garcia Marquez.

The last good movie I saw was: *Seven Beauties*, *King of Hearts*, *Ruggles of Red Gap*.

If they were making a movie of my life, I'd like to see my part played by: Dustin Hoffman.

My oddest habit is: Finding myself in inexplicably odd situations. I was on a plane once when a psychotic man attempted to hijack us to Las Vegas.

My greatest accomplishment outside the comics field is: Choosing to be with a healthy man.

The reason I got into comics was: Sid Jacobson's reputation and Laura Hitchcock's recommendation.

The biggest influences on my work include: Doubts, random inspirations, stubbornness, and the pesky feeling that I'm supposed to be doing this!

The single work of which I am most proud is: Whatever I'm working on at the moment.

My greatest unfulfilled ambition in the comics field is: To be in constant demand by people I respect.

The worst part of my job is: The salary.

When nobody's looking I like to: Check other people's belly buttons for lint.

The one thing I really want the world to know about me is: I'll accept contributions in any amount.
